Staff and Institution Login

Forgot your password or need to reset it?

If you forgot your password, select the option to reset it. If you do not have an account to log in, Carl Weckerle (cweckerle@mcca.org) or your [institutional contact](#) can add you as a user for your college.

From the institutional menu, select OER Data.

The screenshot shows the Michigan Colleges Online Member Site home page. At the top, there is a navigation bar with a search box and links for Home, About, Initiatives, Reports, and Resources. Below this, the user's name 'Carl Weckerle' is displayed. A secondary navigation bar contains links for Enrollment Data, OER Data, Meetings, My Institution, and Users. The main content area features the site title 'MICHIGAN COLLEGES ONLINE (MCO) Member Site' and a brief description of the site's purpose. To the right, there is a map of Michigan with several blue dots indicating member locations. A red arrow points from the 'OER Data' link in the secondary navigation bar to the map area.

Select Import OER Data

The screenshot shows the 'OER Data' page within the Michigan Colleges Online Member Site. The page title is 'OER Data'. A prominent button labeled 'Import OER Data' is visible, with a red arrow pointing to it. Below the button, there is a text instruction: 'Use this template file to format your data for upload. Click here to view all the valid "Discipline" column values.' At the bottom of the page, there is a filter section with the text 'Filter list by semester' and a dropdown menu currently set to 'Spring/Summer 2020'. The secondary navigation bar at the top right shows links for Enrollment Data and OER Data.

If you do not already have the template file, download that now.

Upload OER Data

Please use [this template file](#) to format your data for upload. When saving this file in Excel it may warn you that the file may contain features not compatible with CSV. If so, click the 'Yes' button to keep the format.

You will be shown a confirmation screen after you click 'Next' to verify the uploaded data, as well as any errors that may be found.

Valid entries for the 'Discipline' fields are shown at the right of the page. Make sure the field values for this column in your OER file match one of these exactly or is left empty.
